# BESPOKE SUBLIMATION

Sublimation is a manufacturing process that allows for limitless design possibilities. Mizuno predominately uses sublimation for on field/court playing kit. The process allows for club crest, sponsor logos, names and numbers to be embellished into the garment for no additional cost.

# BESPOKE CUT & SEWN

The term 'Cut & Sewn' is when pre-coloured fabrics are cut to shape andsewn together to create a new bespoke garment. There is still a wide range of colours to select from and logo, names and number can be applied to garments using either an embroidery or print method.
